

Dormobile

Ford Transit Custom Pop Top Camper

The Original Campervan Converter

Description

The Dormobile Ford Transit Custom Pop Top Camper blends classic charm with modern comfort. Built on the top-spec Transit Custom Limited, it delivers a smooth, confident drive for every trip. Inside, two rear seats slide on rails to create extra storage or open space as needed. By day, the bright interior feels modern and airy; by night, it transforms into a cosy space for four. The driver and passenger seats swivel to form a relaxed dining area. With a gas hob, sink, fridge freezer, and two double beds including a pop-top roof bed, it's ready for effortless getaways in style.
