Ford Transit Custom 112 Riptide

The Original Campervan Converter

Description

The Dormobile Ford Transit Custom Rip-tide Camper combines style, comfort, and practicality in one versatile van. Built on the Ford Transit Custom Limited, it delivers a smooth, confident drive for every trip. Inside, the flexible layout adapts easily, with a bright living space by day and sleeping for up to four at night. Two rear seats and swivel seats create a welcoming dining area. A fitted kitchen includes a double hob, sink, and fridge freezer. Sleeping arrangements feature a spacious main 112 rib bed and a pop-top roof with an additional double.
